

Q1

The differences between Melbourne and here is the student & teacher relationships are less formal the uniforms are more casual than the strict formality of ours and no one seems stressed,

Q2

This question refer to on that day or on day 6 they met the primary school student and children holding them ^{→ They hands} jumping on them and they don't when a senior student live thru school

There was an Braume The Police after stop them and ask them the question but she or he can't have to find this kind of time every week coz they are coming back to Sydney back but they can't even never for get that time coz that time well coming to some one life very label — — —

c)

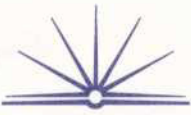

The writer direct quotation on her entry is about Aborigines people and story which

This student went on were to Mistake creek site which that site of Massacre 70 years ago Aborigines wrongly accused of taking a cow the story teller said she didn't hate white people hate only makes you sick inside

which does mean The Aboriginal people doesn't have a food to eat and milk for drink and the just stolen they cow because the need to eat

(d)

The Perspective which the girls developed by is she before of this 4 week she just heard about this place of Australia and she doesn't know about that place but after that for week her life is changing and she see all of part of Australia which she heard before and her life is changing.

on the day 7 she is been to the
beautiful place which she never been before
and she see which all of people are
so happy and they are living around
their family but
on day 23

she been and see they people which
they are homeless and hunger and they
don't even know what is family just
they thinking about their food and
drink.
