

Q 1. a) One of the Differences about schooling here and in ~~the~~ Melbourne are
The student teacher relationships are less formal, the uniforms
are more casual than the strict formality of ours and
no one seem stressed.

b.) This is refer to herself to make her understand about the stolen
children. Every single of them wanted to do this trip
every weekend if they can, but unfortunately they
can't.

c.) The writer use a direct quotation in her entry for Day 19
is because of the writer afraid because of this the girls
from Melbourne would be hate the white people for her
most entire life. Because she already said ~~the~~ "The
Aborigines are not just a stolen generation but a forgotten
one." But the story teller said she didn't hate white
people: "hate only makes you sick inside".

D. > The new Perspective are :

- They got new experiences on the journey.
- The trip makes them know about their background.
- They met the elderly people in there who ~~make~~ ^{make} them know about their traditional ~~ceremonies~~ initiation ceremonies, etc.

E. > The language Features and their effects in presenting the change are really good; ● Firstly, it makes us easy to understand what are they talking about. secondly, it makes us know about the History of aboriginal life in the past. Thirdly, it makes us know about how sad to live like them (Doesn't know about their background for example) but it really doesn't matter know because the time has make everything changed.
