

~~The text~~ There are a wide range of ways that ~~can~~ stories can be told. The texts that we have studied this year, "Animal Farm" written by George Orwell and film "Dead Poets Society" has different ways to present the story. There are also a variety of features of a narrative are used to make stories interesting.

The text "Animal Farm" by George Orwell, it is the satire of Russian Revolution; tells the story of ~~animals~~ rebellion of animals against ~~maltreatment~~ maltreatment human beings. It is a tale that the animals are main characters and through ~~the~~ ^{the} way they behave ^{through the way they} and talk, we understand ~~the story~~ how the story is going on.

This ~~text~~ novel is written in the third form ~~which~~ tells about and shows the ^{Pigs} ~~characters~~ as a main character ^{of features of a narrative}. One of the key elements that has been used

~~to~~ ~~an~~ was ~~a~~ power. As pigs gain power, they become harder and harder to resist the temptation of control over the farm animals and because of the other animals ^{who} are too gullible, it is easier for them to treat the animals as their workers. ~~The~~ the ~~use~~ use of narratives also ~~all~~ reflected in revealing ~~the~~ ~~best~~ ^{each} character relationships as well.

~~At~~ ~~the~~ ~~death~~ of Napoleon and Snowball, ^{after the death} ~~they~~ ~~worked~~ of the major, they ~~had~~ ~~worked~~ ~~for~~ the other animals. However, they both had different purposes ~~in~~ ~~working~~ controlled over the animal farm. However, because of Napoleon's betrayal ^{of} ~~against~~ the main purpose of rebellion of the Major, the ~~animal farm~~ equality of animals are dramatically ~~replaced~~ disappeared.

After the expulsion of Snowball, Napoleon and Squealer, brilliant talker, now started to control over the farm.

In the story of "Dead Poets Society", the

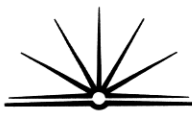

Stories are told by narrator and the each of the characters.

~~The main scene of the narrative revealed of~~
The main key of features of narratives that used is also the ~~Power~~ Power.

Neil and his father had argument ~~in~~ very number of times, ~~but~~ ~~his~~ father. His father wanted him to ~~become~~ join the medical school ~~when~~ ~~he~~ did not agree with it. ~~The~~ ~~father~~ ~~was~~ Making decision of Neil's ~~and~~ himself was not totally acceptable and this tells us that his father has ~~power~~ ~~an~~ ~~accepting~~ power who can actually controlled over Neil's life.

This was presented in the same ways of ~~narratives~~ ~~as~~ ~~a~~ ~~main~~ ~~of~~ a main theme in the story of both "Animal Farm" and the "Dead Poet Society".

~~As I explored above, there are in the way that can be the two texts.~~

As I explored, there are wide ranges of ways that can stories are told. And also the uses of narrative can influence the ~~story~~ responses to ~~the~~ more understandable.
