Page 2

Source D — Deprivation

The Christchurch Urban Area demonstrates a clear geographical spread based on the Index of Deprivation (IOD).

Deprivation is the state of being worse off than the society in which one lives. The IOD is based on:

- access to telephone
- income from government benefits
- unemployment
- income level
- access to a motor vehicle
- single parent families
- low qualifications
- level of house ownership
- living space
