## Question 17 (continued)

- (b) Refer to Sources C, D, F, H and I.

From these sources, name TWO locations within Christchurch that demonstrate different urban dynamics, and account for these differences.

6

Hornby has demonstrate that it once was a most deprived area but through de-centralisation this has change and people and products are moving into this suburb for the suburban life suburbia. Another location is Linwood is suffering the ~~blows~~ blows of de-centralisation & the suburban movement and need to get some counter-urbanisation going in this area new designed housing estate and increase income level for this area.
