Question 16 (6 marks)

Refer to Source C.

Using evidence from the photographs, identify ONE challenge of living in mega cities in the developing world and describe TWO responses to this challenge.

6

One challenge in living in mega cities would be obtaining a ^{clean +} healthy environment to live in. One way of responding to that issue would be to drop prices of accommodation to suit lifestyles of those who live in that particular country.
Another would be to adopt a concept used in Australia called Housing departments. ^{Affordable} ~~Cheap~~ homes to live in but very clean.
