### Question 16 (6 marks)

Refer to Source C.

Using evidence from the photographs, identify ONE challenge of living in mega cities in the developing world and describe TWO responses to this challenge. 6

One challenge that can be seen in the photographs and is evident in developing worlds is housing. In the photographs we can see the overcrowding of housing (photo 2) and the ~~struck~~ <sup>lacking</sup> ~~and~~ infrastructure and resources in the construction of housing. One response could be through community self-help schemes in the construction of homes. A government housing scheme which is used in San Paulo is the government provide the resources of water piping and electricity and the community as a group help construct the homes for people to live - government community scheme
