Section II (continued)

Marks

Question 19 (7 marks)

- (a) Using Source I, describe the spatial pattern of the global production of oil in 2000. 3

The Middle East consists of the most oil production in the world, followed way behind by America, the most other places have very little oil compared.

- (b) Describe TWO factors influencing the future direction of a global economic activity you have studied. 4

Tourism Future directions

1- More people are trying to expand their business and also their idea, so tourism for business is growing.

2- ~~There are more people travelling~~
The expense rate of travelling is becoming cheaper due to tour package deals (with accommodation, travel, stay, food + bev all for one cost).
