B. Sports policy and sports environments have work hand to promote safe participation this has been done in a number of different ways over the years to ensure ~~the~~ all the athletes there safety during the game.

This has been done by ensuring all participants and athletes wear the appropriate protective clothing to comprehend the position and sport they are playing for example a Hockey goalie will have a full suit of protective gear to ensure there safety throughout the game.

The sports environments are also made sure to be safe with spectators a suitable safe distance from the area of play and the

athletes on the field will be safe when it comes to the equipment on field or area of play for example a netball post must have padding on it to ensure the athletes are safe.

Every sport has different guidelines of safety for example rugby league compared with golf but both sports have adjusted rules and regulations to ensure as much safety as possible.
