

Question 1 (6 marks)

- (a) Identify an aspect of a gender role and how it has changed over time.

women in the workforce, through time women were mostly known to be the house wife and were very little women in the force and with those jobs they weren't very high class. But as with time this ~~is~~ is reversing, more women are heading for the workforce and some are in high-class jobs

- (b) Evaluate the impact of society's expectations of gender on your own personal experience.

one of societies expectations is that men can't show ~~of~~ their true emotions (eg crying, or show too much affection). with personal experience, I was told to take it in, if someone hit you, you wouldn't cry even if it hurt so much, lid take it on the cheek and fight back. Because you don't want people thinking your a coward. with affection, I was told to really not show too much emotion to anyone eg. saying I love you to your family or your girlfriend. Its seen as being a girl.
