

**Question 1** (6 marks)

- (a) Identify an aspect of a gender role and how it has changed over time.

Gender roles have change with women working since the world war II. Women used to be housewives in tradition society however now it is acceptable and for women to work. This has increased the number of childcare centres.

- (b) Evaluate the impact of society's expectations of gender on your own personal experience.

Stereotypical views are still portrayed of gender roles in society. ~~For~~ For an individual to go outside of these views it is ~~see~~ perceived as there is something wrong with that individual. ~~Although~~ In my ~~exp~~ experience I have seen friends go outside of the expected roles ~~of~~ for them and how society degrades them.
