Question 1 (6 marks)	
(a) Define <i>micro world</i> .	1
<i>Personal experience eg. from family, peers, schooling.</i>	
(b) Define <i>macro world</i> .	1
<i>Public knowledge eg. from media, law, government</i>	
(c) Describe how you experience <u>continuity and change</u> in EITHER your micro world OR your macro world.	4
<i>Though change is an inevitable part of social life, I also experience continuity in my micro world. For example my beliefs, values and lifestyle are still centred around family life and to lead a comfortable lifestyle. I still respect the authority of my parents and the need to live a cultural lifestyle, with experiences in both the micro and macro worlds. However, over time I have changed physically and my values have altered as I have become more independent eg. learning how to drive and turning 18. These events have changed my micro world, however, what I hold in my heart as true continues to structure my lifestyle.</i>
