

- 11 Assess the impact that ONE change has had on ONE tradition in a country you have studied.

6

within the ^{Aboriginal} ~~Indigenous~~ culture many things have changed over time. Australia had been invaded and the European had took over the land. Over time the European had gained control and power over the land and the Indigenous people. This change ~~is~~ had a big impact upon the Indigenous people as their land, culture, beliefs and their identity were not valued amongst the European settlement. The European settlers had a really big influence among the Indigenous people, as they introduced many different things to the Indigenous people, such as flour, tobacco, sugar, alcohol, petrol, clothing, transportation as well as many diseases such as chicken spots. Due to all of this the European had change the lives of the Aboriginal people in Australia, ~~by~~ creating laws over the Indigenous Australians due to ~~the~~ differences in ^{ideas of} lifestyle. ~~and~~ This affected their traditional custom ways as many lives and culture within themselves were lost.
