C) Hinduism is one of ~~popular belief systems~~ the most popular and largest belief systems in the world. This belief system has big connections to the world peace and the conflicts.

Gandhi was a leader of Hinduism in ~~India~~ India. He was teaching "No violence" to the ~~people~~ Hindu people and also people in the world. Martin Luther King who was the leader of the movement towards the discrimination against African American people, took the Gandhi's idea and told "No violence" to the world.

Hinduism ~~is~~ often criticized from the world because of their treatment towards women. Traditionally there is an isolation towards women. So feminism comes ~~up~~ up to Hinduism to teach
