(a)	Babia al-Holawiyya mis confributed to
	Islam is many ways such as percioling what Menhammad recieved from Allah
	what Merhammad icieved from Allah
	and interpreting the ideas to make it
	more simplish's
	Another contribution has been the
	idea of daing poetry which interpret the
	lete for all Allah.
(b)	Babia al - Adanizajos effect on Islam hors
	been a great one because it has
	allowed many generations within Islam
	to interprete the ideas of Allah in
	Here own ways to make understand
	The ideas suite the the of the
	individual.
	Babia; effect has also seen
	great because it allows for further
•	is perpretation because each individual
	may interprete one thing one while
	another interpretes the other way.

(c)	Juna 'al or triday prayer it the mague
	tapesses the beliefs of Islam is mong
	ways. The first is the call to prayer
	which is brings he community to getter
	to pray to Allah. The second is that
	if allows the individual to thank Allah
	for everything be has done for them.
	It allows for individual prayer
	as well as communal progres. If
	provides emphasis in the Spiritual life and
	how Mustins are thatful for that
