

4 (a) And from far off (he said) 'O

wretched ~~ones~~ <sup>citizens</sup>, what great insanity is

this? Do you believe ~~the~~ enemy have

left? Or do you think ~~a~~ that any

gift of the Greeks lacks treachery? Is

Ulysses known in this way? Either Greeks

are hidden shut up by this wood, or

this machine had been designed against

our walls, about to look into our

homes and about to come into our

city from above, or else some other

trick is hidden. Do not trust the

~~Creeks~~ horse, Trojans.
