Do not wish, Gentle men of the jury, if ^{you disdain no tears} ~~no tears~~ ^{dis} you ~~expect~~ from

Milo, if violence ^{is} always judged, if speaking, if you see

a firm speech, this is less to take to you: but I know

that many of ^{guilt} ~~magistrates~~ even watch: indeed if we alone

fear the killings in ^{gladiatorials} ~~gladiators~~ and penalties and that

his permission to live is hidden even to hate, ^{brave} ~~strong~~ and
severely ~~they~~

living ~~at~~ we desire to serve offer to die for death,
