

a) I seize, senators, this ~~to me, I seize~~
~~that occurred~~
~~the dangers so great unto the state, not to~~
~~the danger say that seemed so great~~

unto the state, that did ~~not~~ ^{not} resolve

me, but now I myself condemn.

laziness ~~unpopularity~~ and ~~fallacy~~ ^{unpopularity}. There is a

camp in Italy, amongst the Roman people

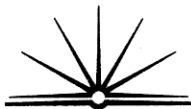

of Rome, in the valleys of Etruria, ~~it~~

it grew in numbers of the enemy every day

however the general of this camp and leader

of these men, the enemies, is within these

him present as a witness
walls, and you see in the senate today

the treachery of the republic delaying.

b) Since you will raise that from one act of

crime so great, perhaps ^{we} ~~you~~ will see the

concerns of ^{at this time} such a thing ^{to be} ~~as~~ brief than

and fear to be relative, however ^{he} ~~you~~

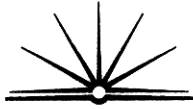

will remain a danger and he will ^{be} ~~be~~ ^{come}

shut in by punishment and will come

unto the republic by . So after

men weary with serious grief, when he has

hurled heat and , if they don't like

water, ^{will} having seen first relations, then they

will be confronted with very serious and

very violent conflict, thus this grief,

which is in the republic, that is punished,

he lives and remains behind a very violent

these things they succeed dishonestly,

if they succeed to loyal men themselves,

gather together ~~in~~ place, finally

because i after already said, will be

successor to us
