

a.) Night was present and ~~the sleep~~

on the land, sleep held the animals:

The sacred images of the gods and the

household gods of the Trojans, which

I had carried away with me from

Troy and from the fires in the middle

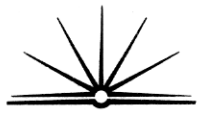

of the city, ~~the~~ saw seemed to stand

before my eyes ^{made plain} ~~in~~ in tossing

~~dreams with much light,~~

with much light in dreams,

~~At~~ which the full moon was

pouring itself through the

unshuttered windows.
